

Scientific Symposium on Skeletal Diagnostics

9th—11th February, 2012, Corinthia San Gorg Hotel, St.Julians, Malta

EuroMed Community of Radiographers (EMCoR) and *Malta MR Radiographers Group (MMRRG)* present this symposium intended for radiographers and other health professionals interested in oncology, rheumatology and injury diagnostics. Lectures on planar imaging, CT and MRI are given in English by radiographers, radiologists and physicists.

Registration Fees 165€ includes *Course registration, Morning and Afternoon coffee breaks.*

Student fee is 85€

Day registration 60€ available

Please note that above costs do not include hotel accommodation, travelling and lunch. These must be purchased separately. Registration is now open : <http://www.e-radiography.org> or <http://www.mripractice.eu>

Thursday 9th February

8:15—9:00	Registration and coffee	
9:00 - 10:00	MRI Knee and Shoulder - How we do it	J. Castillo MLT
10:00 - 11:00	Shoulder, arthro and MR- anatomy	Dr M.Calleja MLT
11:20— 12:30	Shoulder, impingement & instability	Dr M.Calleja MLT
13:45 - 14:30	Knee, ligaments & tendons	Dr R.Depasquale MLT
14:30 - 15:15	Knee, injuries, stress phenomena, menisci	Dr R.Depasquale MLT
15:30	Case reviews	Dr A.Mizzi MLT

Friday 10th February

8:15—9:00	Registration and coffee	
9:00 - 10:00	Cervical spine, how we do it	B.Ween NO
10:00—11:00	Knee templating	P Demicoli MLT
11:20—12:30	Image quality for bone cancer Imaging	B.Ween NO
13:45 - 15:00	Radiotherapy planning CT- MRI fusion	D.Kovacevic NO
15:00	Image reading sessions	N.Lanzon MLT

Saturday 11th February

8:30 - 9:00	Registration and coffee	
9:00 - 9:45	MRI Wrist & hand, foot & ankle, how we do it	J.Castillo MLT
10:00 - 11:00	Wrist & hand, anatomy, cartilage injuries	Dr M.Calleja MLT
11:20 - 12:30	Foot & ankle, anatomy, injuries	Dr R.Depasquale MLT
13:30 - 14:30	Image quality and Imaging Device Performance Indicators: clearing up the confusion in terminology	Dr C.J.Carwana MLT
14:30 - 15:15	Discussions - Professional Issues	J.Castillo; B.Ween
